PRESS RELEASE

Wildcat Preschool Coming in February

Community High School District 94 in West Chicago would like to invite your eager-to-learn preschoolers to the Wildcat Preschool. The program operates under the supervision of Patti Kozlowski but is run by students enrolled in the Child Development 2 and Advanced Child Development classes. The students apply what they have learned about the various stages of child development in a pre-school classroom setting. The preschoolers learn their primary skills while enjoying social interaction. This year's focus will be on "sustainability." Students will be emphasizing recycling and going green.

The preschool begins February 23/24 at the High School and ends May 26. The sessions run from 11:25 a.m. to 2:05 p.m. and costs \$180. Preschoolers need to be potty trained and between the ages of 3 and 5.

If you're child would like to attend please contact Patti Kozlowski, of the Family and Consumer Science Department, at the above number or email her at pkozlowski@d94.org.

Application forms are available on the District's website at [2010 Preschool Application Form](#)
